Mind Flare Academy is a full-scale educational institute in Rawalpindi offering classes from Nursery to Class 12 (Matric & Intermediate), entry test preparation (MDCAT/ECAT), digital skills short courses, and language/competitive exam coaching (IELTS/CSS/PMS). We follow a concept-based, exam-oriented teaching methodology designed to build strong fundamentals and top exam results.

Logo of academy:

1. About Mind Flare Academy

Mind Flare Academy is a modern coaching institute located in Jhanda Chichi, Rawalpindi, dedicated to helping students build strong academic foundations from the earliest years of schooling right through to university entry. Our mission is simple: ignite curiosity, strengthen concepts, and prepare every student for real exam success — not just rote memorization.

Our Mission

- Provide quality, affordable education to every student in our community.
- Build conceptual clarity rather than encouraging cramming or rote learning.
- Prepare students for board exams, entry tests, and future careers with confidence.
- Create a disciplined yet friendly learning environment for children and young adults alike.

Our Vision

To become the leading academy in Rawalpindi known for producing top position holders in Matric, Intermediate, and MDCAT/ECAT entry tests, while also equipping students with modern digital and language skills for the future job market.

Why Choose Mind Flare Academy

- Experienced and qualified subject specialists for every grade level.
- Separate morning and evening shifts (4 hours each) for maximum flexibility.
- Small batch sizes for focused, personalized attention.
- Regular tests, monthly assessments, and progress reports shared with parents.
- Concept-based teaching with real exam-pattern practice.
- Affordable fee structure with combo/group discounts.
- Separate preparation tracks for Matric, Inter, MDCAT/ECAT, and short skill courses.
- Free doubt-clearing sessions and extra classes before major exams.
- Clean, safe, and disciplined academy environment.

2. Programs & Classes Offered

Mind Flare Academy offers complete academic coaching from Nursery (Play Group) all the way to Class 12 (Intermediate), plus entry test preparation and guidance/support for Bachelor's level students.

2.1 Pre-Primary & Primary Section (Nursery to Class 5)

- Nursery / Play Group & Prep (Montessori-based early learning)
- Class 1 to Class 5 (all subjects: English, Urdu, Math, Science, Islamiyat, Social Studies, General Knowledge)

Focus at this stage is on building strong reading, writing, and numeracy skills, along with handwriting improvement, spoken English basics, and moral/Islamic values.

2.2 Middle Section (Class 6 to Class 8)

- All core subjects: English, Urdu, Mathematics, Science (General Science), Islamiyat, Pakistan Studies / Social Studies, Computer Science

Focus shifts toward exam techniques, concept building in Math and Science, and preparing the foundation for Matric-level studies.

2.3 Matric Section (Class 9 & Class 10)

- Science Group (Pre-Medical & Pre-Engineering): Physics, Chemistry, Biology, Mathematics, English, Urdu, Islamiyat, Pakistan Studies, Computer Science
- Arts / General Group: English, Urdu, Islamiyat, Pakistan Studies, General Math, Home Economics / Civics / Geography (as per board)

We prepare students according to the Rawalpindi (BISE) Board pattern with regular tests, past-paper practice, and solved guess papers before board exams.

2.4 Intermediate Section (Class 11 & Class 12)

- Pre-Medical Group: Physics, Chemistry, Biology, English, Urdu
- Pre-Engineering Group: Physics, Chemistry, Mathematics, English, Urdu
- ICS (Computer Science) Group: Physics/Statistics, Mathematics, Computer Science, English, Urdu
- Commerce Group: Principles of Accounting, Business Studies, Economics, Statistics, English, Urdu
- General Arts Group: English, Urdu, Islamiyat, Pakistan Studies + electives (Economics, Civics, Education, Psychology)

2.5 Bachelor's Level Support

For students moving into university, Mind Flare Academy offers tuition support, concept clarity sessions, and exam preparation guidance for the following commonly studied Bachelor's programs (BS 4-year):

- BS Computer Science / Software Engineering — programming fundamentals, math courses (Calculus, Linear Algebra), and semester exam prep
- BS Business Administration (BBA) — Accounting, Economics, Business Math & Statistics support
- BS Mathematics / Physics / Chemistry / Biology / Zoology / Botany — core subject tutoring
- BS English / Mass Communication — assignment guidance, presentation & writing skills
- B.Ed / ADE (Education) — teaching methodology and subject-content coaching

Note: Bachelor's level support is provided as subject-wise tutoring/coaching (not a full degree program), designed to help university students strengthen weak subjects, prepare for mid-terms/finals, and complete assignments/projects.

2.6 Entry Test Preparation (MDCAT / ECAT)

This is one of our core specialties. We run dedicated batches for medical and engineering entry test preparation, covering the full FSc syllabus (1st Year + 2nd Year) with MCQ-based practice, mock tests, and past paper analysis.

- MDCAT Preparation — Biology, Chemistry, Physics, English, Logical Reasoning (as per PMDC/MDCAT pattern)
- ECAT Preparation — Mathematics, Physics, Chemistry/Computer Science, English (as per UET pattern)
- NUST NET / FAST NU / GIKI Entry Test preparation batches
- Weekly mock tests with merit-list style scoring and performance analysis
- Short-format crash courses available closer to test dates (6-8 weeks intensive)

Our approach is similar to leading national academies (such as KIPS-style and Stars Academy FUNGAT-style programs) — full-length subject coverage plus continuous mock testing so students walk into their entry test fully prepared and confident.

3. Short Courses & Digital Skills Programs

In addition to regular academic classes, Mind Flare Academy offers short-term skill development courses in Morning and Evening shifts, each session running for 4 hours. These courses are designed for students, graduates, and working individuals who want to build employable, modern skills alongside or after their studies.

3.1 Entry Test Crash Courses

- MDCAT Crash Course (6-8 weeks intensive, 4 hours/day)
- ECAT Crash Course (6-8 weeks intensive, 4 hours/day)

3.2 Digital Skills & Freelancing Courses

- Graphic Designing (Photoshop, Illustrator, Canva) — 2 months
- Web Development (HTML, CSS, JavaScript basics) — 2 months
- Python Programming & Basics of AI — 6 weeks
- Data Science & Data Analysis Fundamentals — 2 months
- Freelancing & Digital Marketing (SEO, Social Media Marketing) — 6 weeks
- WordPress & Basic Website Building — 4 weeks
- Microsoft Office (Word, Excel, PowerPoint) — 4 weeks

3.3 Language & Competitive Exam Coaching

- IELTS Preparation (Academic & General) — 2 months, all 4 modules: Listening, Reading, Writing, Speaking
- Spoken English & Grammar Course — 6 weeks
- Basic Chinese / German Language Introductory Courses (seasonal, subject to demand)

All short courses run in Morning Shift or Evening Shift batches, each class session being 4 hours long, so working individuals and students can easily manage their schedule around academy timings.

4. Shift Timings

Shift	Approx. Timing	Duration	Best Suited For
Morning Shift	8:00 AM – 12:00 PM	4 hours	School-going students (afternoon/evening school) & short course learners
Evening Shift	3:00 PM – 7:00 PM	4 hours	School-going students (morning school) & working individuals

Note: Exact class timings for Nursery to Class 12 sections are adjusted within these shifts based on grade level and subject load. Extra classes and test days may be scheduled on weekends before major exams.

5. Fee Structure (All fees in PKR, per month unless stated otherwise)

Below is our complete, transparent fee structure. Combo/group packages offer a discount compared to paying for each subject separately. A one-time Admission Fee and Registration Fee apply for new students (see section 5.6).

5.1 Pre-Primary & Primary (Nursery – Class 5)

Class	Monthly Fee (PKR)
Nursery / Prep (Play Group)	2,500
Class 1 – Class 2	3,000
Class 3 – Class 5	3,500

5.2 Middle Section (Class 6 – Class 8)

Class	Monthly Fee (PKR) — All Subjects
Class 6	4,000
Class 7	4,500
Class 8	5,000

5.3 Matric Section — Class 9 & Class 10 (Subject-wise Fee)

Students may enroll subject-wise or opt for the discounted full-group package.

Subject	Class 9 (PKR/month)	Class 10 (PKR/month)
Physics	2,300	2,500
Chemistry	2,300	2,500
Biology	2,300	2,500
Mathematics	2,300	2,500
Computer Science	2,000	2,200
English	1,800	2,000
Urdu	1,600	1,800
Islamiyat	1,300	1,500
Pakistan Studies / Social Studies	1,300	1,500

Package	Class 9 (PKR/month)	Class 10 (PKR/month)
Full Science Group (Physics, Chemistry, Biology/Computer, Math, English, Urdu, Islamiyat, Pak Studies)	7,500	8,000
Full Arts / General Group (All subjects combined)	6,000	6,500

5.4 Intermediate Section — Class 11 & Class 12 (Subject-wise Fee)

Subject	Class 11 (PKR/month)	Class 12 (PKR/month)
Physics	2,800	3,000
Chemistry	2,800	3,000
Biology	2,800	3,000
Mathematics	2,800	3,000
Computer Science	2,500	2,800
Statistics	2,300	2,500
Economics / Principles of Accounting / Business Studies	2,300	2,500
English	2,300	2,500
Urdu	1,800	2,000
Islamiyat	1,600	1,800
Pakistan Studies	1,600	1,800

Package	Class 11 (PKR/month)	Class 12 (PKR/month)
Pre-Medical Group (Physics, Chemistry, Biology, English, Urdu)	9,500	10,000
Pre-Engineering Group (Physics, Chemistry, Math, English, Urdu)	9,500	10,000
ICS Group (Physics/Stats, Math, Computer Science, English, Urdu)	9,000	9,500
Commerce Group (Accounting, Business Studies, Economics, Statistics, English, Urdu)	8,500	9,000
General Arts Group (All electives combined)	7,500	8,000

5.5 Entry Test Prep & Short Courses (Fee)

Course	Duration	Fee (PKR)
MDCAT Preparation (Full Course)	6 months	35,000 (or 6,500/month)

Course	Duration	Fee (PKR)
ECAT Preparation (Full Course)	6 months	32,000 (or 6,000/month)
MDCAT / ECAT Crash Course	6-8 weeks	15,000 (one-time)
IELTS Preparation	2 months	9,000 (one-time)
Spoken English & Grammar	6 weeks	5,000 (one-time)
CSS / PMS Coaching	3 months	12,000 (one-time)
Graphic Designing	2 months	8,000 (one-time)
Web Development Basics	2 months	8,500 (one-time)
Python Programming & AI Basics	6 weeks	6,500 (one-time)
Data Science & Data Analysis	2 months	9,000 (one-time)
Freelancing & Digital Marketing	6 weeks	6,000 (one-time)
WordPress & Website Building	4 weeks	5,000 (one-time)
Microsoft Office (Word/Excel/PowerPoint)	4 weeks	4,000 (one-time)

5.6 Admission, Registration & Other Charges

Charge	Amount (PKR)	Notes
Admission Fee (one-time)	2,000	Applicable for all new students, all levels
Registration / Prospectus Fee	500	One-time, includes academy prospectus & ID card
Monthly Test Series (Matric/Inter, optional)	500	Includes weekly quizzes + monthly full assessment
MDCAT/ECAT Mock Test Series (optional add-on)	1,500	Includes 12 full-length mock papers with result analysis
Sibling Discount	10% off tuition	Applicable from the 2nd sibling onward
Late Fee Payment Surcharge	200/week	Applied after the 10th of each month

Note: Fees are subject to review at the start of each academic year. Fee once paid is non-refundable but adjustable against the next month in genuine cases. Fee must be paid by the 10th of every month to avoid late charges.

6. Subjects Taught (Overview)

Mind Flare Academy covers the full range of subjects across all levels, with strong emphasis on exam preparation and conceptual clarity:

- Physics — Concept-based teaching with numerical practice and past-paper problem solving
- Chemistry — Organic, Inorganic & Physical Chemistry with practical-oriented explanations
- Mathematics — Step-by-step problem solving, formula building, and speed practice for exams
- Biology — Diagram-based learning, terminology clarity, and MCQ practice for MDCAT
- English — Grammar, comprehension, essay & letter writing, and spoken English practice
- Urdu — Grammar, essay writing, and literature (as per board syllabus)
- Islamiyat (Islamic Studies) — Compulsory & Elective, with Hifz-friendly scheduling on request
- Pakistan Studies — History, geography, and current affairs relevant to the syllabus
- Computer Science — From ICS-level programming basics to short-course digital skills
- Statistics, Economics, Principles of Accounting & Business Studies — for Commerce/ICS students
- General Science, Social Studies & General Knowledge — for primary/middle classes

6.1 Our Teaching Approach

- Concept-based learning: We focus on making sure students truly understand a topic, not just memorize it.
- Exam-pattern practice: Regular past-paper solving, guess papers, and board/entry-test-style MCQs.
- Doubt-clearing sessions: Extra time given before tests and exams for students to ask questions freely.
- Regular assessments: Weekly quizzes, monthly tests, and progress reports shared with parents.
- Individual attention: Small batch sizes to make sure no student is left behind.
- Revision classes: Special short revision courses before board exams and entry tests.

7. Admission Process

Getting admission at Mind Flare Academy is simple and quick:

- Step 1: Visit the academy at House DD1, Street # 6, Jhanda Chichi, Rawalpindi, or contact us via phone/WhatsApp at 0317-5790206 or email mindflareacademy@gmail.com or visit our website for more information.
- Step 2: Fill out the admission form and submit a copy of your latest result/mark sheet (for Class 6 and above) and one passport-size photo.
- Step 3: Pay the one-time Admission Fee (PKR 2,000) and Registration Fee (PKR 500).
- Step 4: Choose your preferred shift (Morning or Evening) and subjects/group.
- Step 5: Attend a free assessment/placement test (for Matric, Inter & entry test batches) to determine the right batch level.
- Step 6: Start classes! First month's tuition fee is due by the 10th of the admission month.

Admissions are open throughout the year, though the best time to join for Matric/Inter classes is at the start of the academic session (typically March-April), and for MDCAT/ECAT batches right after 2nd year board exams (June-July).

8. Facilities & Academy Environment

- Well-lit, ventilated classrooms with proper seating arrangements
- Separate morning and evening shift batches to reduce overcrowding
- Regular whiteboard/marker teaching with printed handouts and notes provided by teachers
- Test/exam halls for monthly assessments and mock tests
- Basic computer lab setup for Computer Science and digital skills short courses
- CCTV-monitored premises for student safety
- Clean drinking water and washroom facilities
- Parent-teacher communication through WhatsApp updates and periodic meetings
- Discipline-focused environment: attendance tracking, uniform/dress code guidance, and a strict no-bullying policy

9. Faculty & Staff

All subjects at Mind Flare Academy are taught by qualified, experienced subject specialists — many holding Master's degrees or higher in their respective fields, with years of teaching experience at reputable schools, colleges, and academies in Rawalpindi/Islamabad. Teachers are selected not only for subject expertise but also for their ability to explain concepts in a simple, student-friendly manner. Regular teacher training and internal workshops are conducted to keep our teaching methods up to date with the latest board and entry-test patterns.

10. Academy Rules & Policies

- Minimum 80% attendance is required to sit in monthly tests and receive result cards.
- Students must carry their academy ID card and notebooks to every class.
- Fee must be paid by the 10th of each month; a late surcharge applies afterward.
- Three consecutive unpaid months may result in suspension of classes until dues are cleared.
- Respectful behavior toward teachers and fellow students is mandatory at all times.
- Mobile phones must be kept on silent/switched off during class hours.
- Parents are encouraged to attend monthly progress meetings and check WhatsApp updates.
- Leave applications (for extended absence) should be submitted in advance where possible.

11. Frequently Asked Questions (For Chatbot Reference)

Q: What classes does Mind Flare Academy offer?

A: We offer classes from Nursery to Class 12, covering Matric and Intermediate (all groups), plus entry test preparation (MDCAT/ECAT), Bachelor's-level subject tutoring, and short courses in digital skills, IELTS, and CSS/PMS.

Q: Where is Mind Flare Academy located?

A: We are located at House DD1, Street # 6, Jhanda Chichi, Rawalpindi.

Q: How can I contact Mind Flare Academy?

A: You can call or WhatsApp us at 0317-5790206, message us on Instagram @mind_flare_academy, or email mindflareacademy@gmail.com.

Q: What are the academy shift timings?

A: We offer a Morning Shift (approx. 8:00 AM – 12:00 PM) and an Evening Shift (approx. 3:00 PM – 7:00 PM), each running for 4 hours.

Q: What is the fee for Matric (Class 10) subjects?

A: Subject-wise fees range from PKR 1,500 to PKR 2,500 per month depending on the subject. A full Science Group package costs PKR 8,000/month, and a full Arts/General Group package costs PKR 6,500/month. See Section 5.3 for the full breakdown.

Q: What is the fee for Intermediate (Class 11-12) subjects?

A: Subject-wise fees range from PKR 1,800 to PKR 3,000 per month depending on the subject. Full group packages range from PKR 8,000 to PKR 10,000 per month depending on the group (Pre-Medical, Pre-Engineering, ICS, Commerce, or General Arts). See Section 5.4 for full details.

Q: Do you offer MDCAT/ECAT preparation?

A: Yes. We offer a full 6-month MDCAT and ECAT preparation program (PKR 35,000 and PKR 32,000 respectively) as well as a 6-8 week intensive crash course (PKR 15,000) closer to test dates, including weekly mock tests.

Q: What short courses do you offer?

A: We offer Graphic Designing, Web Development, Python & AI Basics, Data Science, Freelancing & Digital Marketing, WordPress, Microsoft Office, IELTS Preparation, Spoken English, and CSS/PMS Coaching. All run in 4-hour morning or evening sessions.

Q: Is there an admission fee?

A: Yes, a one-time Admission Fee of PKR 2,000 and a Registration/Prospectus Fee of PKR 500 apply to all new students.

Q: Do you offer a discount for siblings?

A: Yes, we offer a 10% tuition discount from the second sibling onward.

Q: Do you provide Bachelor's level tutoring?

A: Yes, we provide subject-wise tutoring and exam-prep support for BS-level students in subjects like Computer Science, Mathematics, Physics, Chemistry, Biology, Business Administration, and Education — this is coaching support, not a degree program.

Q: What is your teaching approach?

A: We focus on concept-based learning rather than rote memorization, with regular tests, past-paper practice, small batch sizes, and dedicated doubt-clearing sessions before exams.

Q: When can I get admission?

A: Admissions are open all year round. The best time to join Matric/Inter classes is at the start of the academic session (March-April), and for MDCAT/ECAT batches right after 2nd year board exams (June-July).

Q: What documents are needed for admission?

A: A copy of your latest result/mark sheet (for Class 6 and above) and one passport-size photograph, along with the completed admission form.

Q: What happens if I miss a fee payment deadline?

A: Fee must be paid by the 10th of each month. A late surcharge of PKR 200/week applies after that, and classes may be suspended after three consecutive unpaid months.
